Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the South Lyon Community Schools District and our individual schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Assistant Superintendent Mrs. Lisa Kudwa for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <http://bit.ly/2IsyrNO> or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

**Student Assessment Data** – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

## **Accountability – Detail Data and Status**

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

## **Teacher Qualification Data**

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

## NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no status label is given.

South Lyon Community Schools is proud of the effort of our students, the encouragement of their parents, and the dedication of our instructional staff which has resulted overall in very strong student achievement relative to Oakland County and the State of Michigan. We are aware of our achievement gaps and have dedicated significant time and resources toward research-based strategies to narrow our gaps. We are proud of the work we are doing to improve educational outcomes for not only our overall student population, but specifically for students with disabilities, students who are economically disadvantaged, and students who are English Language Learners. Our commitment to a high quality educational experience for all learners will continue. We encourage continued parent involvement through PTO, CHEERS, building SIP team, and District Strategic Planning opportunities and we thank you for your support.

Sincerely,

Melissa Baker  
Superintendent

### *Mission Statement*

In support of our community, the mission of South Lyon Community Schools is to provide the highest quality educational process, so that all excel as individuals, and become productive and contributing members of society.
