

Subject: Community Input re: Revised Redistricting Plan

Dear SLCS families –

Last night (9/26), a Community Forum was held to share a **revised** tentative proposal for redistricting of elementary and middle school boundaries for 2017-18. The information from that presentation can be found on our website at http://www.slcs.us/docs/Public%20Forum%20Presentation%209_26_16.pdf

Please note that the first part of the Powerpoint presentation is a “recap” of the plan presented on June 6th. The revised proposal is found later in the Powerpoint after the reasons for necessary changes are explained.

Two additional sessions have been scheduled so that community members who wish to present feedback or other ideas for the committee’s consideration can do so this month. Individuals or groups may contact Barb Elliott at 248-573-8130 or elliottb@slcs.us to request that they be scheduled for a 20 minute presentation time on either Oct 11th or 25th (Tuesdays). These will be public meetings that will begin at 5:30 pm. An agenda will be posted to the district website prior to the meeting and minutes will be posted afterward.

The RAC (Redistricting Administrative Committee) will take input from these sessions for consideration as the recommendation to the Board is finalized. The recommendation is scheduled to be presented to the Board for information at the November 7th meeting and will be voted on at the meeting on November 21st.

We appreciate the support of our community as we work through the logistical challenges that come with being part of a growing and thriving district, and we look forward to hearing input that may be shared at these meetings.

SLCS Administration
