

Oakland Schools 2017 Middle School STEM Summer Camps

STEM Summer Camps for 6, 7 & 8 Graders

In collaboration with Oakland University, Oakland Schools Technical Campuses will be hosting week-long, STEM focused camps. Students will experience project-based, hands-on activities in six cluster areas, spend a day at Oakland University touring the campus and visiting STEM-related programs of study and participate in a career day where they can interact with business and industry partners, create a portfolio and complete career development activities.

Cluster Areas:

- Agriscience and Environmental Technology
- Construction Technology
- Culinary Arts
- Engineering and Emerging Technology
- Health Science
- Information Technology
- Transportation Technology
- Visual Imaging Technology
